

Training Bulletin

Hazardous Materials Specialist F & G

As of 1/1/2009 the Governor's Office of Emergency Services is now the California Emergency Management Agency (CalEMA). CSTI is the all hazards trainer for the new agency

DATE: HSF3-08, April 13-17, 2009
 HSG3-08, April 27-May 1, 2009

LOCATION: Stockton Fire Dept.
 Stockton, CA

The Specialist courses are the highest level of training competencies available for a Haz Mat Team member. By taking advantage of all the Technician/Specialist courses, you will have the opportunity to work with CSTI's state-of-the-art Haz Mat Field Exercise Facility, or the off-site mobile training trailer. CSTI provides hands-on training for all Haz Mat courses. This course simulates leaks at realistic pressures and flows. Course completion certificates are given after finishing each module. Participants successfully completing the two modules of the Specialist series F-G, will be certified by the Office of Emergency Services/CSTI at the Specialist Level. The on-site training aids include:

*5-dome railroad tank car capable of generating the type of leaks to which responders are typically exposed

*Simulated drum dump

*Bulk storage tanks

*Intermodal tank container

*1-ton and 150 lb. chlorine containers

*Various types of tank trucks

*Pipe tree

*Illegal drug labs

*Storm drains

This HM Specialist series meets OSHA requirements under 29 Code of Federal Regulations (CFR) 1920.120 and the California Code of Regulations Title 8, Section 5192.

Two (2) - 1 week courses/40 hours each **Prerequisite: CSTI Certification as a HM Technician A-D**

Tuition: Tuition Grants available for eligible LEPC Region IV Applicants

Apply immediately using the form below. An information packet and map will be sent 4-8 weeks prior to the course. For registration questions call the LEPC Coordinator Dana Owens at (916) 845-8482, Dana.Owens@oes.ca.gov or for course content, contact the Course Manager Paul Henlin at (805) 549-3759, Paul.Henlin@oes.ca.gov.
